2018 Calendar of Events

Issue 1 11/12/2017

All members are very welcome to take part in competitions and Days Out. You will need a handicap, (except for the One-Club). To obtain a handicap please provide 3 signed cards – these can be left in the hut together with your details, marked for the attention of the Handicap Secretary. Your name will then appear on the handicap list posted in the hut.

Sign up sheets will only be posted in the hut for pairs competitions and “Days Out”. For all other competitions a draw for playing groups will take place 10 minutes before the advertised start time.

For 2018 we will continue with the "Super 7" system for the grand prix, taking the 7 best results from the qualifying competitions.
