* Stableford competitions

All members are very welcome to take part. You will need a handicap, (except for the One-Club). To obtain a handicap please provide 3 signed cards – these can be left or posted in the hut together with your details. Your name will then appear on the handicap list posted in the hut.

For 2014 we will continue with the "Super 7" system for the grand prix, taking the 7 best results from the qualifying competitions.

Sign up sheets will be posted in the hut for all competitions. This invites competitors to sign up in advance to determine playing groups and their tee times (or as the basis for a draw).
