

Star Golf Society Newsletter - Issue 2/2013

15 March 2013

Just a week to go before our first competition, so time for a bit of news....

Competitions

Don't miss the "One Club" on Saturday 23 March, first tee off at 1.00pm. No need for handicaps for this competition, just one club of your choice plus a putter (oh and a ball). I'll do a draw on the day but if anyone wants to play in a particular group, that's fine. The prize will be the traditional bottle of scotch.

Handicap Review

Pete Moreton and I have put our heads together and had a close look at year end handicaps. As a result we are pleased to announce a one shot CUT for Jerry McGrath (to 17.0) and Mike Dodwell (to 16.0) following the annual review. The master list is always the one posted in the hut.

Days Out

Thanks to John Hopkins for efficient organisation and choosing some new courses - please sign up early in the hut!

Work Experience

Some will recall Adam Pope, a college student, helping us out with some of the competitions last year. He enjoyed it so much, he's coming back again this year on a number of dates (4 May, 18 May and 15 June).

Annual Subscriptions

The subscription year has now changed to 1 April, and invoices for the year are being sent out now. There is a modest increase and the new rates are:

Full 7 day: £225

5 day: £165

Seniors 7 day: £165 (over 65)

Seniors 5 day: £145

Juniors: £40

Weekend green fees are increased to £15 for a day ticket.

Open Day

There will be an "Open Day" for potential new members on Saturday April 20th between 9.00am and 2.00 pm. Light refreshments will be provided. All those that took advantage of the promotion in the Local Answer last year and provided an email address have been invited.

Course closures

To check if the course is closed (e.g. due to adverse weather) call the college after 8.30 am on 01242 527631.

Disabled Golfers Association

After some lengthy negotiations, the Disabled Golfers Association have decided not to pursue investing in facilities to make use of the Star Golf Course.
